Dear Ms. Burnett,

On behalf of Hospice of Wake County, I wanted to take a moment to personally share some great news concerning your very effective hCard Program.

We've been getting checks for months now. It's so easy!! You do all the bookkeeping and just keep sending us checks. I especially like the fact that there is no inventory and the program does not up our staff's time. There is no doubt that many nonprofit organizations that could benefit from your programs.

Thank you so much for your vision for Funding the Heart of America.

Sincerely,
